

## TARMAC VIP SERVICE - GOTHENBURG AIRPORT \* Optional\*

**Tarmac VIP Service Information** - ASE in Cooperation with Swedavia are pleased to offer a Tarmac VIP service to our clients at Gothenburg Airport. This optional efficient service allows our clients to be processed in the quickest possible manner on either arrival, departure or both. This service allows clients to pre-clear customs and immigration formalities before even arriving or departing the Airport. Our team can coordinate everything on your behalf and arrange all the required permissions and approvals so when your clients arrive or depart they simply drive to/from the Aircraft in their own limo wasting no time.

### Tarmac VIP Service Arrival, Departure or both

- Pre- Custom clearance
- Pre- Immigration clearance
- Client Limo access to ramp/Aircraft
- Clients won't have to process thru Terminal
- Clients can reach Aircraft in a matter of minutes
- Optional VIP lounge use
- Optional meeting rooms

**Cost of Service** - This service is optional, although ASE strongly recommend all clients use this service. Costs can be variable depending on time of operation, passenger figures etc. One of the ASE team will shortly send you a email with the prices unique to your flight. If you have not received them please make contact with got@asehandling.
